Sprint®

MINCED LUPINS ORGANIC FERTILIZER 700G

Product code: L110140

Nitrogenous Organic Fertilizers

COMPOSITION N3

FORMULATION Flakes

Characteristics

It is a natural fertilizer that contains organic substances suitable to humidify the soil and making it more fertile, favoring a healthy development of leaves and flowers. Ideal to fertilize lemons, citrus fruits in general and for all acidophilic plants (azaleas, camellias, etc.) grown in pots or in the ground.

Usage calendar

JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC

Instructions

Distribute 100 g per m2 or 40 g for pots of 30 cm in diameter.
Repeat once a month.
